The screenshot shows the phpMyAdmin web interface in a browser. The address bar indicates the URL is localhost/phpmyadmin/index.php?route=/sql&pos=0&db=tugas&table=course. The interface displays the 'course' table structure and data. The table has columns: id_course, course_name, description, created_at, and updated_at. There are three rows of data:

	id_course	course_name	description	created_at	updated_at
<input type="checkbox"/>	21	SIM	PTI	NULL	NULL
<input type="checkbox"/>	22	program Internet	PTI	NULL	NULL
<input type="checkbox"/>	23	program visual	PTI	NULL	NULL

Below the table, there are options for 'Operasi hasil kueri' (Print, Salin ke clipboard, Ekspor, Tampilkan bagan, Buat tampilan) and a 'Markahi kueri SQL ini' button. The Windows taskbar at the bottom shows the date as 30/11/2023 and the time as 19:34.
